VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS

Applicant: Arash Rouhi
Application Filed: November 24, 2003
For: A MULTIMEDIA NETWORK

As the below-named inventor, I hereby declare that I qualify as an independent inventor as defined in 37 CFR 1.9(c), for purposes of paying reduced fees under Section 41(a) and (b) of Title 35, United States Code with regard to the above invention, the specification of which was filed with the United States Patent and Trademark Office on November 24, 2003 as serial number 10/720,642. This application claims priority under 35 U.S.C §119 (e) from United States provisional Patent Application Serial No. 60/428,185, filed November 22, 2002 which claims priority to Swedish Patent Application No. 0300126-0 filed on January 17, 2003.

I have not assigned, granted, conveyed, or licensed, and am under no obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person who could not be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or a nonprofit organization under 37 CFR 1.9(e).

I acknowledge the duty to file, in this application, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small business entity is no longer appropriate.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
